TERMS: Animal welfare is always our priority. The birds can fly from Glyntaff in most weather, Thornhill in light rain.

We will always turn up on days where the weather or forecast is bad, as it could improve by the time the doves are due to be released. If the weather is still too poor, we will still put a dove on display and read the poem (slightly amended to reflect the weather) We discuss this with our families, and NO CHARGE will be made within 15 miles if we cannot release the doves. If payment has been made, it will be refunded in full.

Thank you!

Lynne & Rod Morgan

*Glyntaff Crematorium is very close to home. It doesn't cost us as much to train our doves from here and we pass this on to our customers. It is a pricing structure strictly for Glyntaff only.
